This is a License Agreement between YOU (your company), the purchaser "Licensee" of "SVC" and the owner(s) "Licensor" of www.videosoftware.pro (and/or other/affiliated websites that sell the same source code) "SVC", SVC Video Call.

SVC = Video Calling, Video Conferencing and Video Chat software (and/or software libraries) by www.videosoftware.pro aka. SVC-XX, SVC Video Calling Engine or any other name given by the selling website.

The source code, and the combination of used programming techniques are protected by United States and international copyright laws and treaties. www.videosoftware.pro and its owner(s) reserves all rights in and to the source code not expressly granted to you by the terms of this License. Your rights to use any part of the downloaded software are subject to this License Agreement and are conditioned upon your payment to www.videosoftware.pro (and/or other/affiliated websites/companies that sell the same source code) and/or the domain/software owners, for your use of the SVC software (and/or software libraries), including the source code. Your copy of SVC software may be identified and linked to you by the e-mail address and personal data provided at the payment (any personal data kept by payment processing -payment gateway- company).

This license is for your own usage only! Which can be personal or professional. You may use the SVC code and libraries for your personal (or your company) projects, websites and for professional services you undertake for your clients or users. The SVC license allows you to do the following with your copy and source code: make any modification you wish to the code or design, add or remove features and functions - create new services based on the source code (build enterprise video communication and conferencing solutions, websites, video-chat or any other service), make profit using the SVC software and the services mentioned above.

However, you may not sell, transfer, share, give away or sublease the license agreement or the SVC software nor the source code or any part of it to any other party. You may not resell the SVC software as part of a package. You may not resell (or otherwise make it available) the SVC software within a downloadable file, such as a website template or turnkey website. You may not resell (or otherwise make it available) the SVC software as part of any competing product such as a website offering random video chat or video-chat software (or source code) for sale or a downloadable software-package. You may not resell (or otherwise make it available) the SVC software as your own software, even if it has been transformed or edited, or if you add other features or a different design to the original source code.

## RESTIRCTIONS!
